CASTLE

Each piece of timber tells a rich story. Each ring defines its age, each dent and scratch adds character. Timber is the quintessential building material used by humans for millennia. Castle recreates this story and presents it in a porcelain tile featuring three different colors that pay homage to the ultimate example of human dwellings. Castle series is available in Sterling, Dover, and Hearst and is available in 8"x48" size in Matte finish.

Size Available: 8"x48"
