# ALIVE MODERNE

Essential and versatile are some of the characteristics that define Alive Moderne our newest entry in our extensive line of concrete inspired porcelain tiles. This contemporary new series features a wide tonal range with four unique colors in 12"x24" and 24"x24" and 24"x24" Deco that make this series a perfect fit for a wide range of applications. Combined with the beautifully designed decorative pieces which feature unique geometric patterns this collection will surely add a sense of dynamism to your next project.

Please note: water marks and imperfections are part of the inherent beauty of this series and part of the artistic interpretation of weathered concrete. Each piece varies from the next and some marks may be more apparent than others.
