CONCRETE EXTRA MODERNE

Concrete Extra Moderne series takes inspiration from modern urban cities. It captures the intricate man-made characteristics of concrete and presents them in an HD Inkjet porcelain tile offering a vast range of texture, color, form, and possibilities. Concrete Extra Moderne is available in 24"x48" large format size in both matte and semi-polished finishes.

Please note: water marks and imperfections are part of the inherent beauty of this series and part of the artistic interpretation of weathered concrete. Each piece varies from the next and some marks may be more apparent than others.

Size Available: 24"x48".
